**Final Announcement of
FERMILAB III meeting
Jan 22nd. & 23rd., 1986**

The next meeting of PTCOG will be held at Fermilab on Wednesday January 22nd (starting at 2:30 pm) and Thursday January 23rd (ending about 4:15 pm).

The agenda for the meeting is on the reverse side of this announcement. One new feature we are offering is an after-dinner gathering at Fermilab on Wednesday evening. This is not a formal meeting, but a chance for people to talk with one another in a relaxed setting. We will provide appropriate refreshments designed to facilitate information transfer. The other novelty may be less welcome: we are asking for a \$25 contribution to defray the cost of providing meals. This will be collected at the time of the meeting.

A block of rooms has been reserved for the night of We. Jan 22nd at the Best Western Fox Valley Inn (~5 km. from Fermilab) under the name of PTCOG at \$27.95 per room. Call them directly at (312) 851-2000 to make your reservation if you have not already done so. Transportation by limousine to Fermilab can be reserved:

Airtran O'Hare	1-800-851-0200
West Suburban Liko	312-469-3800

(If some subset of the participants have rented cars it will help our return from Fermilab to the hotel on Wednesday night after the soiree).

If you plan to attend the meeting and have not so indicated by sending me the form included in the last mailing, **please call me** (Michael Goitein: 617 726-8153) to let me know.
